

Umbrella Endorsement

With the trend toward increasingly higher court awards, it is more important than ever to protect your assets. SECURA's *Umbrella Endorsement* can offer you the additional coverage you need and the peace of mind you deserve.

Our affordable Umbrella Endorsement provides high limits of coverage (from \$1 to \$5 million) *above and beyond* that of your underlying MILE-STONE Home and Auto insurance, including:

- Automobile Liability
- Comprehensive Personal Liability (Homeowners Liability)
- Personal Injury Liability (i.e., false arrest, slander, libel, wrongful eviction)
- Watercraft and Recreational Vehicle Liability
- Employer's Liability

The Umbrella also provides coverage, subject to a small deductible, for some exposures not covered by basic liability policies, such as Worldwide Liability Coverage and Contractual Liability Coverage.

Don't let a lawsuit stemming from a car collision or someone falling on your sidewalk cause you financial ruin. Instead, come under our Umbrella for extra protection. At SECURA, we've got you covered!

Coverages described are subject to all the terms and conditions of the policy, including deductibles, exclusions, and limits of liability. Please read your policy carefully.
