ROADSIDE Rescuer

Towing & Labor Services

Roadside Rescuer, SECURA's towing and labor services, minimizes the frustration and inconvenience of being stranded on the road. Feel confident knowing that you have the help you need, no matter where or when.

A unique feature of *Roadside Rescuer* is that it provides coverage even when you're traveling in automobiles you don't own.

Roadside Rescuer services

- Tire changes
- Emergency fluid delivery
- Dead battery jump-starts
- Lockout service
- Minor mechanical first aid if you have an accident, stalled vehicle, or are stuck in mud or snow
- Towing an auto to the nearest qualified repair facility or up to 10 miles to the repair facility of your choice
- Towing trailers with towing and labor coverage

Roadside Rescuer features

- Coverage for the policyholder and immediate family in autos they own with towing coverage
- Extra coverage for the named insured and additional named insured when they are traveling in autos they do not own
- Arranges for alternative transportation
- Notifies your home or office
- Other reasonable services to ease the inconvenience of the roadside emergency
- Sign-and-drive coverage

Roadside Rescuer is included at no additional premium on MILE-STONE® *Gold* policy vehicles that have physical damage coverage. MILE-STONE basic policies, auto policies, and trailers with towing and labor coverage also receive *Roadside Rescuer*.

Coverages described are subject to all the terms and conditions of the policy, including deductibles, exclusions and limits of liability. Please read the policy carefully.

When you need *Roadside Rescuer*:

1. Call 1-800-828-7047

Available 24 hours a day, seven days a week. Help will be sent immediately.

2. Sign and drive

Once your car is running again, or if your auto requires towing, you simply sign the receipt. You don't need to pay up front, so you don't have to wait to be reimbursed.

Keep your *Roadside Rescuer* card with you in case of a roadside emergency.
