

## SECURA On-Demand Video Library Terms and Conditions

SECURA Insurance partnered with Aurora Pictures of Minneapolis, Minn. to offer SECURA policyholders access to one of the largest and most up-to-date libraries of safety training videos in DVD and VHS format.

All videos are available for rental, **free of charge**, subject to the terms below by SECURA for a lending period of 30 days. The 30-day-period begins when the policyholder receives the videos, and ends when the videos are received back in the Aurora Pictures library located at 5249 Chicago Avenue, Minneapolis MN 55417.

### **Ordering:**

When logged in to the borrower's individual registered account, videos may be ordered through the shopping cart on the Aurora Pictures website.

**It is important to note that after proceeding to the checkout on the "Payment Information" screen, the borrower needs to click on "Invoice" to bypass the credit card screen and have SECURA billed directly for rentals.**

Videos also may be ordered by contacting Aurora Pictures directly via telephone or email.

### **Availability:**

Most titles listed within the "Safety Products" section of the Aurora Pictures website are available for free rental. Borrowers may have three free video titles ordered at any time.

Most requests will be shipped within the same day or next day. Please allow five business days for order processing and standard shipping when scheduling your training.

Titles listed within the "HR Products" section of the Aurora Pictures website are not eligible under SECURA's program, and therefore are not free. If a borrower wishes to order an HR video, they can do so, but will be charged the normal rental fee displayed on the site.

**Liability:**

The borrower is liable for lost or damaged videos while videos are on loan.

**Loan period:**

The video rental period is 30 days. The borrower will be charged a late fee of \$20 per week per video for all late returns.

**Shipping:**

Aurora Pictures will pay for standard ground shipping to the borrower and will include a pre-paid return shipping label.

The borrower should use the pre-paid FedEx shipping label provided for return shipping.

Shipping charges on orders received less than eight business days prior to required use date, which necessitate expedited shipping, will be the responsibility of the borrower.

**Lost or damaged videos:**

Lost or damaged videos or DVDs will be billed at the displayed SECURA discounted price (50% off regular price for most titles). A new copy of the video will be provided to the user upon receipt of payment. Purchase discount does not apply to videos in the "HR Products" category.

**Purchase option:**

Policyholders have the option to purchase copies of "Safety Products" videos or DVDs at the displayed SECURA discounted price (50% off regular price for most titles).

**Extended use fee:**

Loan periods can be extended longer than the free 30-day period by calling Art Kiffler at Aurora Pictures at 800-346-9487, ext 209.

An extended use fee of \$20 per week per video will be charged for late returns. The borrower will be billed directly for any extended use charges.
